

## PRODUCTS Technical Specifications

### ESLAPRENE PP

---

**PRODUCT** Recycled polypropylene pellets

**REFERENCE** UNE 53972

**DENOMINATION** Class I

**PREFERENTIAL APPLICATION** Injection

---

### CHARACTERISTICS AND TEST METHODS

---

**MELT INDEX** (10.00 ± 2.00) g/10 min (230°C 2.160 kg)

**COLOUR** Black / Terracotta

The tests are carried out in accordance with the UNE norms on test methods which are cited in norm UNE 53978

---

**PRODUCT CODE NUMBER** 3310300 / 3311500

**PACKAGING** 25 kg plastic bag / big bags

**TRANSPORT UNIT** 1.250 kg pallets  
Alternatively big bags up to 1.000 kg or bulks.

**HOMOGENEOUS BATCH** 25 Tn

Not apt for use in food production.
